Summary

I am a motivated and detail-oriented Junior Front End Engineer with a solid foundation in HTML, CSS, and JavaScript. I have hands-on experience in building responsive web applications and a passion for creating user-friendly interfaces. My previous internships allowed me to collaborate with cross-functional teams, where I gained valuable skills in version control using Git, debugging, and optimizing code for performance. I am eager to apply my skills in a dynamic team environment, continually learning and contributing to innovative web solutions.

Job applied for

Web Developer

Professional experience

Full stack Developer

1 Jan 23 - Present

Niit

Full-Stack Web & Mobile Development – Proficient in building modern web applications with React.js and Tailwind CSS, and developing cross-platform mobile apps using React Native (Expo) with features such as geofencing and authentication. Skilled in backend development using Java (Spring Boot) and Node.js, with hands-on experience in relational (MySQL) and NoSQL (MongoDB) databases. Knowledgeable in DevOps practices, containerization (Docker), automated testing (JUnit), and version control with Git.

Education and training

Certificate of Completion / Diploma in Web Development (MMS)

25 Aug 23 - 30 Nov 25

NIIT | Lagos

Personal skills

Digital skills

As a Front End Developer, I possess a robust skill set in web technologies, including HTML, CSS, and JavaScript, enabling me to create responsive and visually appealing user interfaces. I am proficient in modern frameworks such as React and Next.js, which enhance my ability to build dynamic web applications. My expertise in version control systems like Git ensures efficient collaboration within development teams. Additionally, I have a strong understanding of web performance optimization techniques and accessibility standards, ensuring that my applications are both user-friendly and efficient. I am also familiar with tools such as Bootstrap for CSS frameworks and various libraries that streamline development processes. My commitment to continuous learning keeps me updated with the latest industry trends and technologies.
